WORK EXPERIENCE

Vera Wang, NYC, NY

Design/Atelier Assistant, 3/25-6/26

- Worked with the design team in mood board and concepts development
- Made samples of experimental techniques, such as fabric manipulation, flowers, bows, and embellishments
- Draped parts of garments, made patterns and sewed for design developments
- Collaborated with and instructed sewers and pattern makers to complete samples
- Helped maintain fabrics inventories and assisted in new fabrics selection
- Assisted in fitting and photoshoot sessions

Morilee, NYC, NY

Design Intern, 6-8/24

- Assisted in market and inspiration research for the coming season
- Made design sketches for the design team to review
- Assisted in handling garments and dressing models in photoshoot and fitting sessions

- Assisted in minor adjustments of garments such as hand sewing lace and removing horsehair

Oscar de la Renta, NYC, NY

Atelier Intern, 8/23– 5/24

- Assisted in hand sewing, machine sewing of the couture eveningwear, bridal and VIP dresses (Catching bonings to the outer layer of bodice, framing multiple layers of fabrics, hand sewing embroideries and beading onto garments, hand sewing horsehair onto skirts, adjusting the fitting of garments by moving around embroidery and tulle placements, machine sewing parts of the garments such as darts and skirt seams, etc.)
- Completed machine sewing muslin samples independently
- Assisted in patternmaking and draping (Helped copying and adjusting patterns; Helped draping part of the design according to the instructions of patternmaker)

Marchesa, NYC, NY

Atelier (Patternmaking focused) Intern, 8-12/22

- Mostly assisted the head patternmaker in copying, changing, and making some new patterns for the eveningwear and bridal lines (e.g., Made patterns for a dress with swirled panels, under the instruction of head patternmaker)
- Assisted in some draping tasks, machine and hand sewing tasks (sewing embroidery and lace onto dresses, finishing off hem, making ruffles, etc.)

Fashion Institute of Technology, NYC, NY

Tutor at Academic Skills Center, 9/21-5/22

- Tutored Fashion Design students in most Associate level courses, including draping, sewing, patternmaking and fashion drawing, etc. (Students brought in their projects with class notes, and I helped solve the problems and questions they had.)

Central Amusement International, Brooklyn, NY

Administration Coordinator / Staff Controller, 8/17-7/21

- Processed Accounts Payable (AP), booked Sales Orders, made journal entries
- Business and financial analysis reporting (analysis on sales, budget, redemption, costs, weather impact and other factors)
- Internal Controls (Purchase and inventory process management, ticketing and POS systems admin, HR system admin)
- Managed cashiers, and bank tellers in cash room at Luna Park in Coney Island
- Assisted group sales, retail ticket sales, guest services (communicated with guests regarding exchange, refund, and other issues)

Salvation Army, Syracuse, NY

Finance Department Intern, 4-7/16

- AP (collecting invoices, coding expenses, GL distribution, running checks; reconciliation), AR, Journal Entries.

China Audit Asia Pacific Certified Public Accountants LLP, (Beijing, Guizhou, Hubei), China
